

Circle the number of women

3

A large number '3' is positioned on the left side of a box, with a solid top line, a dashed middle line, and a solid bottom line. To the right of the number are three rows of three female icons each, for a total of nine icons.

6

A large number '6' is positioned on the left side of a box, with a solid top line, a dashed middle line, and a solid bottom line. To the right of the number are three rows of three female icons each, for a total of nine icons.

1

A large number '1' is positioned on the left side of a box, with a solid top line, a dashed middle line, and a solid bottom line. To the right of the number are three rows of three female icons each, for a total of nine icons.

8

A large number '8' is positioned on the left side of a box, with a solid top line, a dashed middle line, and a solid bottom line. To the right of the number are three rows of three female icons each, for a total of nine icons.

4

A large number '4' is positioned on the left side of a box, with a solid top line, a dashed middle line, and a solid bottom line. To the right of the number are three rows of three female icons each, for a total of nine icons.

2

A large number '2' is positioned on the left side of a box, with a solid top line, a dashed middle line, and a solid bottom line. To the right of the number are three rows of three female icons each, for a total of nine icons.

# Fill in the number of shoes

\_\_\_\_\_

-----

\_\_\_\_\_

A rectangular box containing three rows of high-heeled shoes. Each row has three shoes. To the left of the shoes are three horizontal lines: a solid line at the top, a dashed line in the middle, and a solid line at the bottom, intended for writing the count.
