

## Draw and Write

Castles are very old building where kings and queens would live with their knights and servants. They are big and beautiful.

Would you like to live in a castle? Would the castle be in the woods or near a lake? Would the castle have high walls and flags flying in the breeze? Would the Castle be surrounded by mountains?

Draw and color a picture of a castle. You can also draw a king and queen or even a fire breathing dragon!

# CASTLE

**Write 10 sentences using the vocabulary words.**

1. The castle has a \_\_\_\_\_ and a \_\_\_\_\_.
