

Draw and Write

Most major cities around the world have their own unique tower. These towers reach high into the sky and are great for seeing the whole city from above.

Would you like to go to the top of a tower? Do you like high places? Are they scary? What do you see from the top?

Draw and color a picture of a tower. You can draw the city under the tower and show the tiny traffic and people below. What a view!

TOWER

Write 10 sentences using the vocabulary words.
